

DPP Supplier Data Request Form

A structured request sheet for product and component suppliers.

Complete only the fields that are relevant to the product and applicable legislation. Ask for evidence and revision control, not just a value copied into an email.

Requested item	Supplier response / document reference	Revision / date
Manufacturer identity		
Product / component identifier		
Material / chemistry information		
Critical raw materials		
Recycled content / supporting evidence		
Carbon-footprint data / supporting evidence		
Performance and durability data		
Repair / disassembly / service information		
Recycling / end-of-life information		
Declarations / certificates		
Document revision and date		
Supplier technical contact		

Use note: This is a practical preparation aid, not legal advice, certification, conformity assessment or an authoritative interpretation of EU law. Product-specific obligations must be checked against the applicable legislation and current delegated/implementing acts.
